

How do arts and entertainment professionals of all kinds obtain needed legal service and advice they cannot afford to pay for?

LAWYERS for the CREATIVE ARTS®

Lawyers for the Creative Arts is a 37-year-old organization, the only one in Illinois, which provides pro bono legal services to qualifying individuals and organizations in the arts, including the visual, literary and performing arts. Since its inception in 1972, LCA and its hundreds of volunteer attorneys have provided legal services and educational programming to tens of thousands of artists and cultural organizations, including many who are now among the most prominent in the area. LCA is proud to have a role in Nourishing the Creative Spark.® You too can have a role by supporting this year's Benefit Luncheon.
